How does your pet BEST take their medication?

Do you have any concerns that you would like the doctor to address while your pet is boarding with us?

Should we monitor or be aware of anything while your pet is boarding? (Ex: Anxious, food aggressive, etc.)

Do we have permission to prescribe Trazodone if your pet (dogs only) is experiencing stress while boarding?

I understand that if my pet needs medical attention while boarding, I will be charged for a standard office visit (\$72) and for any treatments/medications deemed necessary by the doctor. This includes any vaccinations or tests required for boarding, as well as diarrhea as a result of stress. Medications given while boarding will result in a daily medication charge of \$4.50. I also understand that if my pet has an accident while boarding (diarrhea/vomiting) where they get themselves dirty, I will be charged for a cleanup bath (\$22).
